They also tried to prove she was a bud girl, but failed, and Judgo Haggerty assessed Townsend \$27.40 and Rixon \$17.40.

Wants \$1,500 Damage.

Gardner B. Clark began suit in the circuit court yesterday, against Henry Spring in a piea of trespass on the case and asks for \$1,000 damages. Mr. Clark claims he had fitted up a house at No. 80 North Division street for a certain social ciub, that he received \$200 per month from the ciub, and that he had expended considerable money in preparing the house for the use of the ciub. Just as he had it arranged so that he was getting some returns from the house he claims Mr. Spring, or his agents, forced an entrance to the house and took 150 yards of carpet curtains, poles and furniture. He claims he was damaged to the extent of \$1.3

Ed Fitzgerald, who has laid in jail since last November, was tried for the second time for stealing a watch from the pocket of a Detroit man last fall, in the superior court yesterday. The March term jury disagreed, one of the jurors holding out against the other eleven. Yesterday the jury retired at 3 o'clock and remained out all night. Should the jury disagree this time Fitz-gerald will probably be kept in jail un-til the October term of court before he is tried again.

Physicians Have Found Out

Physicians Have Found Out
That a contaminating and foreign element
in the blood, developed by indigestion, is the
cause of rheumatiant. This setties upon the
sensitive sub-cutaneous covering of the muscies and ligaments of the joints causing on
stant and softling pain, and aggregating as a
micareous, chairly deposit which produces
stiffness and distortion of the joints. No fact,
which experience has demonstrated in regard
to Hostotter's Stomach Bitters, has stronger
evidence to support than this, namely, that
this medicine of comprehensive uses checks
the formistable and atrocious disease, nor is
it less positively established that it is preferable to the poisons often used to arrest it,
since the medicines contains only enlutary
ingredients. It is also a signal remedy for
unlarial fevers, constipation, dyspepsia,
kidney and bladder aliments, debility and
other disorders. See that you get the genuine.

There is nothing I have ever used for muscular rheumatism that gives me as much relief as Chamberlain's Pain Balm much relief as Chamberlain's Pain Balm does. I have been using it for about two years four bottles in all—as occasion required, and always keep a bottle of it in my home. I believe I know a good thing when I get hold of it, and Pain Balm is the best liniment I have ever met with. W. B. Denny, dairyman, New Lexington, Ohio. 50 cent bottles for sale by F. J. Wurzburg, druggist, No. 58 Monroe street.

The most painful cases of rheumatism may be relieved by a few applications of Chamberlain's Pain Balm; its continued use will cure any case, no matter of how long standing. It is equally beneficial for lame back, pain in the side, pain in the chest, lameness, and in all painful affections requiring an external remedy. A piece of flannel saturated with Pain Balm and bound on over the seat of pain is superior to any plaster. For sale by F. J. Wurzburg, druggist, No. 58 Monroe street.
